

## Release of Liability

Many Hiwassee College sponsored recreational activities, intramural sports, and athletic programs involve the risk of bodily injury, property damage, and other dangers associated with participation therein. Dangers may include, but are not limited to, broken bones, strains, sprains, bruises, concussions, and heat exhaustion. Each student and/or the parent or legal guardian of a student in a College sponsored recreational active, intramural sport, and athletic program must acknowledge these risks and dangers, which are often inherent in both the activities themselves, as well as the training, preparation for, practice for, and travel to and from the site of activity.

Each student 18 years of age or older, and/or the parent or legal guardian of a student under the age of 18, who decides to participate in such activities is doing so voluntarily. It is the responsibility of each student, and/or legal guardian of the student, to make sure the student participates only in those activities for which s/he has the requisite skills, qualifications, preparation, and training. The College does not warrant or guarantee in any respect the competency or mental, physical condition of any student participating and intramural sport, recreational activity, or athletic program.

I acknowledge that accidents outside of recreational activities, intramural sports, and athletic programs can occur on campus that may cause injury or sickness.

I acknowledge that I will be responsible for any and all medical related bills that may be incurred by me for any illness or injury that I may sustain while attending Hiwassee College.

I further acknowledge and authorize the employees of Hiwassee College to act accordingly to their best judgment in any situation requiring medical attention in case of an emergency. I will not hold Hiwassee College or their employees liable in an event of injury or sickness.

*By signing this form, I acknowledge that there are risks associated with recreational activities, intramural sports, and athletic participation. I also acknowledge that sickness and injury can occur outside of recreational activities, intramural sports, and athletic programs while attending Hiwassee College, and I release Hiwassee College and their employees from all responsibilities associated with sickness and injury that may occur.*
